Dear Fellow Rotarians:

**November is Foundation month.** Through your generous contributions to the Rotary Foundation District 6840 has had great success with many of the programs supported by the Rotary Foundation.

To learn more about the Foundation and witness the successes of its programs we encourage each club in District 6840 to have at least one program during the month of November on the Rotary Foundation and/or the programs supported by the Foundation. We have many alumni of the Rotary Foundation in District 6840 who would be happy to come to your club to present a program on the program they participated in through the support of the Foundation. Some of these programs are: Group Study Exchange, Ambassadorial Scholarships, University Teacher Grants, District Simplified Grants, and Matching Grants.

If you need assistance in contacting a speaker on the Foundation for your club please feel free to contact:

District Governor Greg Lier

I know many of you are planning on making your contribution to the Annual Fund of the Rotary Foundation soon to get credit on your 2008 IRS Tax Return. What better time to make your contribution to the Annual Fund than in November "**Foundation Month**".

Make Dreams Real,

Ace Necaise  
District Governor Elect
